## EVENT INFORMATION

On Sunday, March 1st, 2020 Governor Ron Desantis signed Executive Order 2020-51 establishing Coronavirus Response Protocol and directed the State Surgeon General to issue a Public Health Emergency. Governor issued Executive Order 20-52, declaring a State of Emergency, designating the director of the Florida Division of Emergency Management as the State Coordinating Officer, and designating the State Health Officer and Surgeon General as the Deputy Coordinating Officer and the Incident Commander. The Volusia County Council declared a Local State of Emergency at 6 PM on March 13<sup>th</sup>, 2020 The updated number of cases in Florida as of 12:00 PM 7/29/20 are as follows:

Positive Cases of COVID-19  
446,251 – Florida Residents  
5,172 – Non-Florida residents

Hospitalized  
25,499

Deaths  
6,333

Number of Negative Test Results  
3,075,342

Number of Pending Testing Results  
4,956

Volusia County Emergency Management is in constant communication with the Florida Department of Health and working with partners to deliver timely and accurate information on COVID-19. As the situation develops, Volusia County Emergency Management is ready to activate the EOC and provide support for the Department of Health and is in the process of identifying the schedule and resources needed for a full activation in the event that it is requested.

- There are **6,572 confirmed** cases of COVID-19 in Volusia County.
- Emergency Management is participating in weekly state calls, as well as monitoring the CDC and the Florida Department of Health (FDOH) websites for updated guidance.
- Public messaging is being coordinated by the Volusia County Public Information Network (PIN) and Volusia County Health.
- Review Continuity of Operations/ Continuity of Government plans.
- Identify which essential functions can be done virtually and which require a physical presence
- Impacts on leave policy (sick, vacation, etc.)
- Identify triggers, thresholds and decision authority for telecommuting and evaluate information technology options and capacity to support it.
- Identify any financial needs for COVID-19 response.
- Proactively contact health care facilities (nursing homes, assisted living facilities) for status updates, any unmet needs.
- Assess and acquire or order any needed EOC Supplies.
